COMMVAULT®

▷GO 20 16

Share your knowledge, insights and expertise with like-minded Commvault GO™ attendees.

▶ Submit your presentation proposal today!

SUBMISSION GUIDELINES

- Each submission must be filled out in its entirety.

- Submissions should clearly detail the concepts, findings and solutions that a researcher, customer or speaking team plans to present.

- Speakers may submit more than one proposal. Please complete a separate submission form for each proposal.

- Each submission must include detailed bibliographies acknowledging prior work in the space, and highlighting how your presentation is unique.

- Final submissions must be received by Commvault no later than July 1, 2016, at 7:00 p.m. CDT via email to go.speakers@commvault.com.

- Individuals submitting a proposal will receive confirmation of receipt via email within 48–72 hours of receipt of the submission.

- All submitters will receive an email confirmation of acceptance or rejection no later than July 15, 2016. Selected speakers will be contacted to coordinate delivery of speaker materials and provide logistical information regarding delivery of the presentation at the event.

EVALUATION CRITERIA

DEADLINE: JULY 1, 2016, 7:00 P.M. CDT

Proposals will be evaluated in terms of their:

1. Importance/relevance to the audience — primarily IT decision-makers and influencers from data-driven organizations, but also suppliers of data protection and management solutions

2. Knowledge and experience of the speaker

3. Originality

The following kinds of proposals are preferred:

- Thought leadership ideas brought to reality with Commvault solutions

- Successful business and IT transformation projects with Commvault

- Infrastructure modernization success with quantifiable outcomes

- New relevant and impactful capabilities in areas of cloud, applications, storage, search, content and mobile

- Best practices for cloud, applications, storage, search, content and mobile

- Hidden gems of knowledge to be found within Commvault solutions — e.g., "5 things you didn't know about VM backup in Commvault software v11"

SESSION PROPOSAL

SPEAKER INFORMATION

First name	**Last name**
Email	**Phone**
Title	**Organization**
Twitter handle	**Website URL**

Biography (write a brief overview and attach a CV)

Attach a JPG portrait (highest resolution possible)
