

Green Challenge - An initiative of GBCI
Series 1: The Energy Challenge

The Energy Challenge is the first of a series under the Green Challenge Program. GBCI® is the premier organization independently recognizing excellence in green business industry performance and practice globally through the administration of project certifications, professional credentials of LEED, EDGE, PEER, WELL, SITES, GRESB, Parksmart and Zero Waste. The Challenge is based on a web learning platform for teachers and students from Class 6 – 8 and covers several issues related to energy, environment and sustainability.
